

# THE DESERT BLOOMS

## *Episode 1*

### Watch Party Discussion Guide

#### Guidelines:

- If MORE than 4 people are gathered for your watch party break into groups of 3-4 to discuss the film before opening the floor to the entire group.
- You might even give 2-4 minutes of “thinking time” *after asking the first question* before groups begin discussing.

*What phrase, concept, or image from the film sticks out to you?*

**What** word would you use to describe how you feel about that concept, phrase, or image?

**Why** do you think you thought of that word and are feeling that way?

After you discuss in groups for a while open the floor to everyone and ask:

*What were some of the phrases, concepts, or images discussed in your group?  
What words and feelings were associated?*

*Why those feelings?*

*What might God be saying to us through this?*

*What might we do about that?*
